

EISENHOWER DEFENDS HIS PROGRAMS

Sabre Jet Hits Four Houses; Six Persons Killed

About Town

And Country
By TIMOTHEUS T.

Harrisburg is Long Distance from Nearest Nat'l Guard Company

Get out an Illinois road map. It won't cost you anything because the State of Illinois puts 'em out free and you can pick one up at any service station.

Now get yourself a crayon or a pencil or a pen. Draw a circle around Cairo. Ditto Carbondale, Mt. Vernon, Salem and Lawrenceville. Now draw a line from Cairo to Carbondale to Mt. Vernon to Salem to Lawrenceville.

No, that's not any advance dope on any superhighways that Timmo is giving you. I've just had you circle the towns where there'll be National Guard companies under the new setup.

Take a look at your map. There are companies all over the state but I've given you the ones closest to this area. Look how much territory lies east of the line you've drawn. Acres and acres of territory. Looks like a fur piece to a company headquarters to Timmo.

Harrisburg used to have a company in the old 44th Division, which was merged with the 33rd into the 33rd. And in merging, a lot of places like Harrisburg and Benton and West Frankfort and Carmi got left out in the five above zero cold. With snow on the ground.

We had a good company here. If you don't believe the statement ask some of the local officers. If you don't want to believe the local guys, ask the regimental officers.

I went up for a while when our Company L was training at Camp Ripley, Minn., with the 44th and did great work along with the entire division.

Remember the scenes when the local company marched off to federal service, with many seeing action in Korea? It was touching. We didn't know it at the time but it looks like that was the end of the company in Harrisburg.

The armory, rented buildings, was closed and re-rented.

It looks to me that there should be National Guard units closer to this area than Cairo and Carbondale and Mt. Vernon and Salem and Lawrenceville. What do you think?

Why did they have to do away with the 44th Division anyway? Economy? Was that the real reason?

In fact, Pentagon officials have stated that with the increasing emphasis on continental defenses in the new military budget which would provide more than four billion dollars for safeguarding the nation against atomic blitz, the National Guard will be given greater home defense duties. Does this sound like the 44th Division should be inactivated?

Press releases say that three million dollars would be saved by the state through the inactivation. Yet the state allocated from appropriations only \$478,800 for 18 months for the purpose of armory rentals and all expenses incident to operations for which the state of Illinois is chargeable at rental armory stations.

It must be remembered that the federal government furnishes equipment and money to pay the not-inconsiderable payrolls of the troops.

And my source for the operation figures also points out that the federal government has been and will continue to appropriate fifty million dollars per year to assist the several states in armory construction until the sum of two hundred fifty million dollars has been appropriated. Of these sums Illinois received its first apportionment in 1953, a sum in excess of one million dollars.

Only recently, the source states, this entire sum was turned back to the federal government as not needed and now one of the economies cited is savings in armory rentals.

We in Illinois are paying taxes to the federal government (and March 15 is coming fast) which include the maintenance of the armed forces including the National Guard. And they drop the 44th.

If any of our fellows want to join a National Guard company they must drive to Cairo or Carbondale or Salem or Lawrenceville and maybe it's the gasoline tax the state is wanting anyhow.

Returned Here

Clarence Lawrence Logan, charged with wife and child abandonment, was returned here today from Peoria by Deputy Sheriff Ebert May.

Young Father, Infant Son Critically Burned

Aged Witness of Tragedy Dies Of Heart Attack

LONG BEACH, Calif. (AP)—A father and his infant son lay near death today with critical burns suffered when a F-86 Sabre jet screamed out of leaden skies, smashed through four houses and killed six persons.

Two of the dead were children. A seventh person, 72-year old Ernest G. Bailey, died of a heart attack as he witnessed the flaming tragedy Tuesday.

Geysers of fire spouted in the disaster area as the plane ignited fuel from broken gas mains. Some of the helpless victims ran into the street "burned black," their clothes and hair in flames, witnesses said.

Edward Ledbetter, 24, and his four-month-old son, Edward Lynn, both severely burned in the crash, were not expected to live, according to attendants at Long Beach Community hospital.

Making Landing Approach
The child's mother, Mrs. Shirley Ledbetter, 25, was among the six persons killed instantly when the Air Force fighter plowed into the residential area.

The plane—one of a flight of two—was making a landing approach at Long Beach Municipal Airport. Sombre rain clouds of the season's first heavy storm hung low over the area when the plane dropped out of the sky and sheered off a tree top.

The jet then knifed through a one-story frame house and disintegrated in a 200-foot flaming skid. Three more houses were hit. The plane knocked down telephone lines, broke several gas mains and touched off the fire geysers.

The other dead were: the pilot Maj. Robert A. Blair, of Omaha and San Antonio; Mrs. Shirley Roberts, 21; her son, Douglas, 18 months; Stephen Louis Shoup, 11, and Mrs. Grace Miller, 72.

Sen. Douglas Opposes Gov't Strike Votes

WASHINGTON (AP)—Two Democratic members of the Senate Labor committee today joined a key Republican in staunch opposition to the government's proposal that the government start conducting strike votes.

Sens. James E. Murray (D-Mont.) and Paul H. Douglas (D-Ill.) were the latest to join the forces opposing the plan. Sen. Irving M. Ives of New York, an influential Republican on the committee, said Tuesday the proposal won't work and is a "direct swat at union leaders."

Ives' stand cast considerable doubt on a favorable committee report on the vote section of a bill introduced by Chairman H. Alexander Smith of the Senate Labor committee which would carry out Taft-Hartley labor law amendments suggested to Congress Monday by the President.

All six Democratic members of the committee are expected to line up squarely against it, and the positions of some of the other six GOP members are in doubt.

The AFL and CIO already have branded the proposal a "strike breaking device."

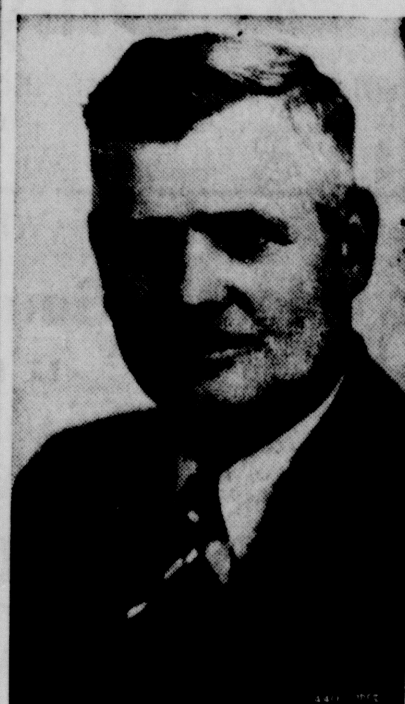

Douglas, in his statement attacking the proposal, wanted to know why, if a strike authorization is required of labor, it wouldn't be "proper to require an election among stockholders on questions involving a lockout or a final wage offer by management?"

He said the government should not "rush into a field which more properly should be left to the parties."

The Weather

Rep. W. O. Verhines

Verhines Seeks Re-Election To Legislature

W. O. Verhines, Republican of Vienna, is today announcing his candidacy for re-election to the General Assembly of Illinois as a legislator from the 51st Senatorial district.

Rep. Verhines is now serving his third term as a member of the General Assembly, and while serving in this capacity, has been an advocate of legislation calling for fair distribution of motor fuel funds to the counties and township roads.

He was a sponsor of House Bill 532-533 amending the Old Age Assistance Act, stating that he favored legislation "which would guarantee a respectable and honorable allowance for those, who through unfortunate conditions, are required to ask for this assistance."

Mr. Verhines has served on the committees of Revenue, Industry and Labor Relations, License and Miscellaneous, and has been vice chairman of the committee on Personnel and Pensions.

Mr. Verhines was first elected to the 65th General Assembly, served in the 66th, and was elected again to the 68th (current). He has experience as a farmer, hatchery operator, retail merchandiser and building contractor.

Memorial Service Sunday 2:30 p. m. for M-Sgt. Ronald R. Parks

Members of George Hart post of the American Legion are requested to be present at the memorial services for M. Sgt. Ronald R. Parks, to be held at 2:30 p. m. Sunday at the First Baptist church, of which Parks was a member.

M/Sgt. Parks' parents, Mr. and Mrs. Ralph C. Parks who live on North Jackson street, received word Jan. 2 that their son, who has been missing in action in Korea since June, 1952, must be presumed dead.

TOO MANY MOTHERS:

State to Probe Use of 6-Months-Old Baby to Teach Coeds Home Management

CHARLESTON, Ill. (AP)—State welfare officials today promised to investigate the case of a six-month-old baby being used to teach coeds home management, on the grounds "too many mothers" may warp his personality.

The late Sigmund Freud, a United Nations scientist and other psychologists were quoted in the controversy over the child's welfare.

Dr. R. G. Buzzard, president of Eastern Illinois State College here, which took custody of the boy at the age of six weeks, said the school would keep him until the end of the academic year.

He said there was "no research to prove" that the fact that the baby was "on loan" from its real mother and being cared for by a whole college class would harm his personality development.

But Roman L. Haremski, superintendent of the child welfare services of the State Public Welfare Department, and assistant superintendent Lela Carr said the state disapproved of the baby's life and might take steps.

Buzzard countered that the unidentified mother "loaned" her child to the college because she was unable to care for it herself and "considers it a great favor."

Haremski said a psychiatrist attached to the U. N.'s World

Dulles Outlines Retaliatory Global Policy

Warns Russia, China New Wars Might Bring Attacks on Capitals

NEW YORK (AP)—Russia and Red China were under solemn notice today that if they start any new wars American atomic bombers might strike directly at Moscow or Peking.

In a major foreign policy address Tuesday night, Secretary of State John Foster Dulles formally buried the old containment policy of the Truman administration.

He declared that U. S. global strategy now is aimed at building "massive retaliatory power" to strike against aggression "by means and at places of our own choosing." He made it plain without saying so that the means could be atomic bombs and the places Russia or Red China.

With an eye on the forthcoming Big Four foreign ministers meeting in Berlin, Dulles also warned that the United States never will make a "deal" to seal the fate of captive peoples or to formally divide the world into East and West spheres of influence.

Observers in Washington called Dulles' speech the fullest presentation yet of the administration's new look strategy. Two influential Democrats, Sens. Richard B. Russell of Georgia and W. Stuart Symington of Missouri, applauded the retaliatory power idea.

"Many of us have felt for a long time," said Symington, former Air Force Secretary, "that the position just taken by Dulles regarding instant capacity for devastating retaliatory attack is the greatest single deterrent to future aggression."

Republicans generally praised the address but Rep. John W. McCormack of Massachusetts, Democratic whip in the House, said congressional committees should take a careful look at the new concept to make sure it's right.

"Only six months ago President Eisenhower and the Republicans were wrong about cutting the Air Force," he said. "We better be very careful they are not wrong again."

In his address before the New York Council on Foreign Relations, Dulles said the old idea of containing Communism country-by-country is no longer enough for today's world. Now, he said, the West must rely more on deterring aggression and less on local defensive power.

Diplomats attached high importance to Dulles' outright rejection of the possibility that the administration might compromise with Russia on the fate of captive peoples. They noted that it came less than two weeks before the Big Four talks on Germany and Austria and while new efforts were underway to resume negotiations on a Korean peace conference.

Revoke Driver's License

The name of Ralph Brandon of Carrier Mills today was in a list of persons whose driver's licenses have been revoked by Secretary of State Charles F. Carpenter for driving while intoxicated.

HONOR BRAVE MARINES—Navy Secretary Robert Anderson presents medals to five Marines as the Defense Department embarks on a policy of decorating men who courageously resisted Communist torture while prisoners in Korea. Left to right during ceremony at the Pentagon are: Lt. Col. Wm. Trash, Tifton, Ga.; Gold Star; Lt. Col. John McLaughlin, Charleston, S. C.; Legion of Merit; Maj. Walter Harris, Glen Ridge, N. J.; Legion of Merit; and Capt. John Flynn, Jr., Calome, S. D., Navy-Marine Corps Medal.

UN, Red Liaison Officers Attempt To Arrange Peace Conference

PANMUNJOM, Korea, Thursday (AP)—United Nations and Communist liaison officers meet today in a new and critical attempt to arrange a Korean peace conference.

The Communists accepted a proposal by the United Nations Command to bring liaison officers of both sides to this neutral area for a meeting at 11 a. m. (8 p. m. Wednesday CST).

A few hours before the meeting the Reds warned the U. N. Command that its plan to free anti-Communist prisoners at the armistice deadline of 12:01 a. m. Jan. 23 "threatens the peace of Korea" and that it must "bear the full responsibility for all the grave consequences" unless it backs down.

But U. N. Supreme Commander Gen. John E. Hull reaffirmed his determination to release the 22,000 anti-Communist prisoners at the deadline. Hull made his statement at Taipei, Formosa, stronghold of the Chinese Nationalist government, before he flew back to his Tokyo headquarters.

Indian Troops to Return Home
In Formosa, Hull arranged for the transport of anti-Red Chinese prisoners to that island. A United Press Taipei dispatch said the first boatload of the prisoners was expected in Formosa Jan. 28.

In New Delhi, it was reported the Indian government is considering plans to take home the Indian troops who are acting as custodians of the prisoners after handing them back to their original captors on Jan. 23.

The South Korean government, still deeply distrustful of the Indians, said in a statement Wednesday night that Prime Minister Jawaharlal Nehru's government "jumps to the Moscow whistle and runs errands for the chubby man with the blond hair—Soviet Premier Georgi M. Malenkov."

United States State Department Far East expert Kenneth Young announced Wednesday night that the Reds had informed him they wanted to meet today to "agree to a date" for the preliminary peace conference talks which U. N. negotiator Arthur H. Dean broke off Dec. 12.

Warning By Gen. Taylor
Young said it may take several liaison meetings before a date for resuming the talks can be set.

North Korean Lt. Gen. Lee Sang Cho demanded in a written note at a military armistice commission meeting that the prisoners be held by the Indians while the Korean conference discusses their fate.

This was the first written evidence indicating the Communists intend to contest their own agreement in the Korean armistice that prisoners must be released as civilians Jan. 28.

Gen. Maxwell D. Taylor, whose 8th Army forces are building camps to receive the prisoners, previously had warned that any Red attempts to prevent the prisoners' release could lead to a resumption of the Korean war.

Mercury Drops to 7 Below Here for Lowest of Season

BRITF, but it got cold last night—surprisingly cold.

The mercury sometime after 11:30 p. m. dropped to seven degrees below zero.

That is by far the coldest weather of the local winter season. Previous low was three degrees above zero, or ten degrees warmer than last night.

The seven degrees below zero was official, reported by Weather Observer Clyde Pittman as being shown on the government thermometers at his place on North Main street.

Pittman said that the temperature was five below zero when he looked at the thermometers at 11:30 p. m. and that it dropped a couple more degrees sometime later.

Five degrees below zero was reported at one of the coal mines west of town at 11 p. m.

Monroe L. Barnes Dies at Eldorado

Monroe L. Barnes, 82, died today at 10:30 a. m. at his home on 19 Marshall street, Eldorado.

The body now lies in state at the Martin funeral home where the funeral will be Friday at 2 p. m. Burial will be in Wolf Creek cemetery.

President Says He Will Not List Must Bills

Believes Farm Plan Right; Leaves Strike Votes to Congress

WASHINGTON (AP)—President Eisenhower said today he believes he has submitted a legislative program to Congress which is for the over-all good of the nation.

He told a news conference, however, he has no intention of making a list of bills that "must" be passed at this session.

He rejected an implication he is asking Congress for a lot more than he expects to get. He said with feeling he is not making declarations to Congress just to look good. He said everything he proposes he believes in and will fight for.

He defended his flexible price farm program against some Republican claims it is not politically feasible. He said he thought the program is right.

He left it up to Congress to decide whether government-conducted secret strike votes should be held before a strike starts or afterward.

Generally speaking, he said, his messages to Congress tried to set forth principles rather than to diagram the exact manner in which Congress should go about achieving these goals.

Reporters told him some members of his own party in Congress said his new farm program—calling for flexible price supports—was not "politically feasible" in this election year. The chief executive said he still believed his plan is right.

He said he does not think he is too smart politically himself, but he does not believe anyone who studied the farm problem as long and as closely as his administration could arrive at any conclusion that the present system is workable or would help the farmers.

Details Up To Congress
He said in his presentation to Congress, he attempted to show the way to a stable, prosperous agriculture. He said if his plan is not politically feasible, he would surely find it out, but that in the meantime he believes firmly it is right.

Reporters sought to clear up confusion about his labor message. They wanted to know whether he preferred government-conducted secret ballots to be held among workers prior to a strike, as his message Monday implied, or after a strike is started, as provided in the administration bill to change the Taft-Hartley law.

Mr. Eisenhower explained he had carefully avoided spelling out the exact details; that determination of the details is the province of Congress and its committees.

His function, he said, was to lay down principles and in this light, he would accept anything that seemed to be the most practicable, the most workable.

Other news conference highlights: The controversial Bricker amendment to limit the treaty-making powers of the chief executive. The President would be happy to accept the changes in the original plan as he outlined them last July, but he never would agree to the adoption of a system that would take this country back to the era of the pre-Constitution Articles of Confederation.

His plan to take away the citizenship of persons convicted of conspiracy to advocate overthrow of the nation. He said his proposal as outlined was merely an effort to impose the same penalty on a man convicted of such a conspiracy that is now provided for a man who makes an actual attempt to overthrow the government by force or violence.

He declined to say whether he would veto a bill to continue farm supports at 90 percent of parity. He explained he never vetoes anything in advance. He added that a President does not have the right to veto specific items in a bill; sometimes provisions which should be vetoed have to be approved in order to achieve the greater gain of the overall legislation.

He denied a reporter's assertion that an assistant secretary of agriculture said Tuesday that the government was considering sale of surplus butter and cottonseed oil to Russia. The President said he himself checked the Agriculture Department and found no such statement had been made.

He said the whole question of East-West trade is still under study.

Dave E. Evans Announces Candidacy For Representative

Dave E. Evans, 302 East Poplar street, Harrisburg, today announced he is a candidate for representative on the Republican ticket in the April 13 primary election.

At present precinct committee-man of Harrisburg Precinct 1, Evans has worked in GOP party politics for 30 years and pledged an aggressive campaign in asking for support.

He was chairman of the Saline County Republican Central committee from 1944 to 1950.

Livingstone Enters GOP Senate Race

CHICAGO (AP)—Park Livingstone, president of the University of Illinois Board of Trustees, today announced his candidacy for the Republican nomination for U. S. senator from Illinois.

Livingstone said he decided to enter the race because he feels this is a "crucial year for the Republican Party." Noting that the GOP does not have a majority in the Senate, he said Illinois can play a "vital role" in giving President Eisenhower "another vote" in the upper house.

The announcement came as Gov. William Stratton prepared to meet with Cook County GOP slatemakers tonight to discuss a tentative county ticket. It was believed that the slate makers would sidestep an endorsement for the U. S. Senate at this time, hoping for additions to the present field of candidates.

However, it was not known what effect Livingstone's announcement might have on this stand.

Five Republicans, including Livingstone, now have announced their candidacy for the GOP nomination for senator.

The others are Austin Wyman, former chairman of the Chicago Crime Commission; Edward D. Hayes, former national commander of the American Legion; Deane Watson, Chicago attorney, and Joseph Meek, secretary-treasurer of Illinois Federation of Retail Associations.

Verner E. Joyner Seeks GOP Nomination For County Clerk

Latest candidate to have nomination petitions in circulation is Verner E. Joyner of Harrisburg, a former circuit clerk who seeks to be nominated for county clerk on the Republican ticket.

First day to file petitions of candidacy is Jan. 18. Last filing date is Jan. 25. Candidates may withdraw their nominating petitions through Jan. 30.

Brother of Mrs. Ed Chester Dies

Milton Berry, 65, died at his home in East St. Louis Monday evening. The funeral will be held tomorrow in Arlington, Ky. He was the brother of Mrs. Ed Chester of Harrisburg.

BIBLE THOUGHT FOR TODAY
Acquaint now thyself with him and be at peace. — Jb. 22:21.

Job had to find peace the hard way. Not many of us have the afflictions and tragedies Job had to surmount, in order to find peace. No one need be friendless, abandoned, unloved.

Herod Man Sentenced To State Farm

Bratcher Tarlton, Herod Star route, returned to Harrisburg from Geneva, Ill., by Deputy Sheriff Isham Threest, yesterday pleaded guilty to a charge of wife and child abandonment and was sentenced to a year on the Vandalia state farm by County Judge Ralph W. Choisser.

★ EDSON IN WASHINGTON ★

Fate of Eisenhower Program In Leader Knowland's Hands

By PETER EDSON
NEA Washington Correspondent

WASHINGTON—(CNEA)—President Eisenhower's bold new program probably depends more on Sen. William F. Knowland of California than any other one man. As majority leader of the Senate, succeeding the late Sen. Robert A. Taft of Ohio, the problem of getting a recognizable part of the President's program past the evenly divided upper house of Congress will depend on his tact and his tactics. It is no easy assignment.

If the Republican members of the Senate were to choose up sides on whether they were all-out, pro-Eisenhower Republicans or not, it would be found that they were almost evenly divided.

By contrast, it would probably be found that the Democrats in the Senate divided with approximately half a dozen more senators leaning towards the Eisenhower middle-of-the-road ideology than away from it.

So the Senate really divides—not 48 Democrats, 47 Republicans and one Independent—Sen. Wayne Morse of Oregon.

It may arbitrarily be divided instead as approximately 50 senators in a theoretical majority that might be expected to be responsive to the President's leadership.

The dividing lines aren't sharp, so give one or two either way to play it safe. But in this group would be counted the more liberal men on domestic policies, the internationalists as opposed to the isolationists on foreign policy.

That would seem to give the Eisenhower program a fighting chance—but maybe only a fighting chance. It will take astute political steering in the Senate to put it over.

TAFT'S CHOICE OF KNOWLAND MADE SENSE
When Senator Knowland was first chosen as acting majority leader by Senator Taft, there was some

questioning as to its wisdom. The Californian is only 45. He has been in the Senate only eight years. He is by no means an elder statesman of the party. He is in fact junior to 34 of its members in point of service.

Politically, however, the choice made sense. Senator Knowland was never a Taft man. He was a Gov. Earl Warren man. Sen. Richard M. Nixon was the Eisenhower man in California and that helped to win him the vice presidency. But as a political in-between in this Eisenhower-vs-Taft struggle, Senator Knowland has been in a good position to appeal to both camps.

Senator Knowland himself minimizes this division. He believes the Republicans must and will close ranks. If this happens to any degree whatsoever, Senator Knowland's main problem will be one of winning over enough Democrats for a majority vote on the big issues. In a San Francisco speech last August, Senator Knowland made an open bid for this bipartisan support.

Senator Knowland's leadership nevertheless faces a challenge at the start of the new session of Congress. It comes from Sen. Homer E. Capehart of Indiana, a leader in the GOP Old Guard. It takes the form of a proposal that the 15 Republican chairmen of the Senate standing committees be admitted to the Senate GOP policy committee. Most of these chairmen are conservative.

Senator Knowland has opposed this move. He proposes instead that there be more meetings of the Republican Conference, which includes all GOP senators, under the chairmanship of Eugene Millikin of Colorado. This would cut down the importance of the smaller GOP policy committee.

KNOWLAND'S INDEPENDENT VIEWS AID HIM
One further point in Senator Knowland's favor with the Old Guard is that he himself does not always see eye to eye with the President on every issue.

When the President declared he did not believe the controversy over Communists in government would be a major campaign issue in 1954, Senator Knowland said he thought it would.

He puts more emphasis on Asia and less on Europe than the President does in foreign policy moves against Communist Russia. He opposes the President's plan to funnel defense contracts into depressed areas.

The test of his effectiveness and his tireless energy will come early in the year. He is faced with the prospect of Democratic filibusters on such issues as Hawaiian statehood. The Senate's liking for unlimited debate will encourage many talkathons on old chestnut issues like St. Lawrence Seaway, the tariff and taxes.

Fire Kills Mother, Two Small Sons At East St. Louis

EAST ST. LOUIS 12—Fire killed a young mother and her two small sons in their two-room frame home here Tuesday night.

The dead were Mrs. Alder Cunningham, 20, and her sons, Willie, 4, and Freddie, 2.

Firemen said they were trapped in their home after the fire started from an overheated kitchen stove. By the time firemen arrived, the flames had gained too much headway for them to attempt a rescue.

Mrs. Cunningham was separated from her husband.

Coleen Gray and Robert Stack in a lovers embrace, in a scene from "Sabre Jet," released by United Artists in color, to show at the Orpheum Wednesday and Thursday.

Bank Robberies at Highest Level in 1953; Reflect General Rise in Crime

WASHINGTON 12—The FBI reports bank robberies, on the upswing in recent years, rose last year to their highest level in the annals of federal crime.

The FBI made available figures which showed that during 1953, there were 418 bank robberies, burglaries and larcenies—the highest total since the passage of the federal bank robbery statute in 1934.

This total represented an increase of 27 per cent over the 1952 total. In the number of robberies—a crime in which force or intimidation is used—the 1953 figure of 248 represented a boost of 45 per cent over 1952.

The 418 total also included 154 burglaries of banks and 16 larcenies, in which bank funds were taken by stealth. It did not include embezzlement of money by bank employees.

Steady Climb Since 1946

The FBI statistics include only crimes against banks covered by the 1934 statute. These are federal reserve banks, banks insured by the Federal Deposit Insurance Corp., banks organized under federal rather than state laws, and certain savings and loan associations.

The law was enacted to permit the FBI to investigate bank robberies after the activities of some of the notorious bank robbery gangs sent the number of robberies soaring to over 600 in the early 1930s.

The number of robberies fell off sharply during the late 1930s until during the years of World War II

—they averaged less than 100 a year.

The upsurge began in 1946, and has been climbing steadily ever since. In more recent years, the rate of increase—especially in the number of robberies—has jumped tremendously.

Federal crime experts were at a loss to explain the sudden upsurge in bank crimes, except to say that it reflects the general rise of crime in general.

'What's Your Trouble' Program to Begin on Station WSIL-TV Sunday

A new religious program, "What's Your Trouble?" will start on station WSIL-TV Sunday, Jan. 17, at 5:45 p. m. "What's Your Trouble?" is a new type of religious television program designed to appeal to everyone—Catholic, Protestant, or Jew—who has a problem.

Dr. Norman Vincent Peale and his wife, Ruth, share the limelight in the program. Dr. Peale in his more than 20 years in the Christian ministry has encountered just about every kind of personal problem there is. He is the author of "Confident Living" and numerous magazine articles.

NOTICE To All Public-Spirited Citizens of Harrisburg

Petitions Are In Circulation...

asking for a vote on the proposed new reservoir and improved water supply for Harrisburg. These petitions, in some instances, are offered for signatures as "petitions to get our water rate reduced". There is no such probability now or within the immediate future.

We Are Intensely Interested...

in the efforts of the water board and the city council to procure a decent permanent water supply for Harrisburg. We have investigated their proposals thoroughly, and have offered our wholehearted support.

If You Sign A Petition...

you will be helping to kill Lake Harrisburg! We are positive that an election would favor the proposition, but by the time an election could be called, options on the proposed lake site will have expired. They cannot be renewed at their present prices.

We Ask You Not To Sign...

these petitions. We urge you to support our city council and our water board in their efforts. It is not only our water supply that is involved... the future of Harrisburg as a potential industrial site rests on the success of the lake proposals.

**Will You Help Harrisburg Grow... or
Contribute to Harrisburg's Decline?**

SUPPORT LAKE HARRISBURG!

PLEASE DO NOT SIGN THESE PETITIONS!

Eastern Star To Hold School of Instruction

Harrisburg chapter No. 671, Order of the Eastern Star, will hold a school of instruction Thursday beginning at 1 p. m. at the Masonic temple, Mrs. Ruth Harris of Carbondale will instruct. All officers, members and especially new members are invited to attend by Mrs. Wendell Bramlet, worthy matron.

At 7:30 p. m. there will be a stated meeting of the chapter and instructions will continue throughout the regular chapter session.

Mrs. Juanita Maddox, who has been employed for three years as secretary to Joseph L. McLaughlin, director of aeronautics in Springfield, flew by plane to Harrisburg Tuesday with chief engineer, M. C. Bird, also from the department of aeronautics, for a few hours' visit with her mother, Mrs. A. W. Love, prior to her departure as secretary to W. T. Middleton, regional director of state affairs of the T. W. A.

Over 90 Callers at Anniversary Celebration at Guard Home

More than 90 friends and relatives called Sunday afternoon at the "open house" celebration of the Golden Wedding anniversary of Mr. and Mrs. Ezra M. Guard of Dorris Heights. Out-of-town relatives were Mr. and Mrs. George Tate and Mrs. Nell Gibson, Detroit, Mich., Mr. and Mrs. Curtis Downen, McLeansboro, and Rev. Rudolph Barnett, Mt. Vernon.

The entire house was adorned with gold flowers, all of which were gifts from friends. The table was especially beautiful with its centerpiece of gold snapdragons in a large low vase. The three-tiered white cake trimmed with gold rosettes and topped with gold letters "50" was flanked with tall crystal candelabra with three gold candles burning in each. The cake was made by Mrs. Guard's sister, Mrs. Rex Cantrell.

Mrs. Fred Wilmoth attended the gold cloth covered register book at a desk that was decorated with two star-shaped gold candles made by Mrs. J. H. Cummins.

The four grandchildren, David, Jimmy, Harold Lee and Mary Jane Guard, who assisted with the wraps, gave their grandmother a corsage of yellow rose buds and their grandfather a yellow rose boutonniere.

Mr. and Mrs. Guard were accompanied in the receiving line by their two sons and daughters-in-law, Mr. and Mrs. Mearl Guard and Mr. and Mrs. Gordon Guard.

Mrs. Cantrell and Mrs. Gibson poured punch while Mrs. Floyd Perkins, Mrs. Clyde Wilmoth, Mrs. Walter Josey and Miss Barbara Nell Josey served cookies and mints.

Mr. and Mrs. Guard received many lovely and useful gifts and expressed their happiness at seeing so many old friends.

Rebekahs and I. O. O. F. Lodge To Have Joint Installation

The Pride of Midway Rebekah lodge, No. 679, and the I. O. O. F. lodge, No. 642, will hold joint installation Thursday at 7:30 p. m. at the Dorrisville lodge hall. The installation ceremony is open to the public.

The Rebekah officers to be installed are Mrs. Annalou Sowers, noble grand; Mrs. Gladys Winkelman, vice grand; Mrs. Ruby Hilliard, recording secretary; Mrs. Mabel Stricklin, financial secretary; Mrs. Cordelia York, treasurer; Mrs. Eva Coffey, warden; Miss Marie Frailey, conductress; Mrs. Viola Smith, chaplain; Mrs. Mildred Upchurch, musician; Mrs. Velma Hughes, outside guardian; Mrs. Mabel Aldridge, inside guardian; Mrs. Margaret Schmitz, right supporter to noble grand; Mrs. Lavoyce Blackman, left supporter to noble grand; Mrs. Mildred Brown, right supporter to vice grand; and Mrs. Pavah Whiteside, left supporter to vice grand.

The following I. O. O. F. officers are to be installed: Alonzo Reiner, noble grand; Everett Estes, vice grand; Earl Clayton, recording secretary; Clarence Dixon, financial secretary; Andrew McDaniel, treasurer; Lee Morris, warden; Jimmy Blackman, conductor; Andrew McDaniel, chaplain; Benny Knight, musician; Dan Gholson, outside guardian; Finley Barger, inside guardian; Earl Wilson, right supporter to noble grand; Orval Hudnell, left supporter to noble grand; Earl Ewell, right supporter to vice grand; and G. W. Milligan, left supporter to vice grand.

Social Brethren Soldiers For Jesus Class Has Meeting

The Dorrisville Social Brethren Soldiers For Jesus class held its January social Friday night in the basement of the church. The meeting was opened with prayer by Rev. Clifford Potter.

The devotion was given by Clifford Bennett on Acts, chapters 10 and 11. Roll call was answered with Bible verses beginning with the letter J.

Games were played and prizes were won by Mrs. Juanita Potter and Mrs. Shirley Guest. Refreshments of coffee, pie and sandwiches were served to the following: Mr. and Mrs. Charles Braden, Mr. and Mrs. Louie Sweet and sons, Mr. and Mrs. Charles Holloway, Mr. and Mrs. Howard Patterson, Mr. and Mrs. Fred McGee, Rev. and Mrs. Tommie Guest, Rev. and Mrs. Clifford Potter, Mr. and Mrs. Lehman Walker, Mr. and Mrs. Clifford Bennett, Mr. and Mrs. Arthur Holland and Mr. and Mrs. Eugene Wilson.

Eisenhower Says Nothing New in Retaliatory War

WASHINGTON (AP) — President Eisenhower said today this country's new defense plan of swift retaliation against aggression is based on the proven value of the surprise element of warfare—hitting back when and where the enemy doesn't expect it.

Actually, Mr. Eisenhower told a news conference, there is really nothing very new about the concept, outlined by Secretary of State John Foster Dulles in a speech Tuesday night before the Council on Foreign Affairs in New York.

Mr. Eisenhower said it is an established fact that the more destructive become the bombs or other missiles, the more value there is in the element of surprise.

Mr. Eisenhower's discussion of the defense policy and Dulles' speech made it clear the administration's "new look" defense strategy is based on the ability to hit back swiftly with powerful modern weapons rather than keep heavy troop concentrations all over the world.

That was the theory behind the recent decision to withdraw two American divisions from Korea.

Only underwater vehicular tunnel between two nations is the Detroit-Windsor tunnel, which connects the United States and Canada.

Calendar of Meetings

The Euzelian class of the McKinley Avenue Baptist church will hold its class social Thursday at 7 p. m. at the home of Mrs. Harlan Seats, 515 West Raymond.

The Ladies' Bible class of the Dorrisville Baptist church has postponed its class social until Thursday, Jan. 21.

The T. E. L. Sunday school class of the McKinley Avenue Baptist church will not meet this week.

The Royal Daughters class of the Social Brethren church will meet at 7 p. m. Thursday at the home of Mrs. Louise Butler, 1226 South Land.

The choir of the McKinley Avenue Baptist church will rehearse tonight following prayer service.

There will be a special meeting of Blazing Star lodge, A. F. & A. M., No. 458, Carrier Mills, Thursday at 6:30 p. m. Work in the M. M. degree. Cleo Holmes, W. M.

The Harrisburg Home Bureau unit will meet with Mrs. L. B. Kimmel, 110 West Lincoln, Friday at 2 p. m.

The class meeting of the Phila-thea Sunday school class of the McKinley Avenue Baptist church has been postponed indefinitely due to the bad weather and church activities.

The members of the Pythian Sisters will hold their regular meeting and a potluck supper Thursday at 6 p. m. at the IOOF hall. There will be an installation of officers.

The Baptist Saline Association WMU will meet Thursday at 10 a. m. at the First Baptist church in Harrisburg. Miss Mary Lee Henderson, state young people director, will be the principal speaker.

The Friendship class of the Dorrisville Baptist church has postponed its class social which was to be held Thursday night until next week.

Hospital Notes

Harrisburg Hospital

Admitted: Jerry Dean Westmorland, 509 West Locust.

Released: Mrs. Ruth Corder, Route 3, Marion; J. O. Milligan, Route 3, Harrisburg; James Starrick, Route 1, Carrier Mills; Roy Naugle, Route 4, Harrisburg.

Births

To Mr. and Mrs. Chester Moore, Carrier Mills, a baby boy named Kim Richard, weighing six pounds, six ounces, born Jan. 11 at the Harrisburg hospital.

Key Witness in Reuther Ambush Gives Self Up

DETROIT (AP) — Donald Ritchie, missing key witness in the attempt to murder CIO President Walter P. Reuther, surrendered voluntarily to Canadian police today and agreed to waive extradition.

Drunk on a \$5,000 reward paid by Reuther's own union before he escaped, the 33-year-old French Canadian identified himself to a Hamilton, Ont., reporter in an all-night restaurant at Preston, Ont.

Two Detroit detectives were sent to question him. Six hours later it was announced he had agreed to return to the Motor City voluntarily. They were expected to arrive this afternoon.

Ritchie, a resident of Windsor, Ont., was caught as the result of the arrest of his wife, Betty. She was picked up by Preston police when she was spotted in the car the couple had purchased at Chatham, Ont.

Several hours after her capture was announced, a man who identified himself as Ritchie called police at Kitchener and volunteered to surrender if she was freed.

Canadian authorities turned the deal down. At approximately 3 a. m., a man who obviously had been drinking walked into the Preston restaurant and told two eating truck drivers, "I'm Don Ritchie."

They didn't believe him because of his condition. He turned to Dennis Harvey, a Hamilton newspaperman, and complained: "You people don't believe me."

Names Actual Gunman
Harvey asked him for identification which Ritchie produced. Harvey then called police and three constables took Ritchie into custody. Ritchie was broke. His wife had \$38.

Ritchie has been named in separate warrants accusing him of conspiring to kill Reuther, who then was only president of the CIO United Auto Workers. In his statements to O'Brien, he said he plotted with Santo (Sam) Perrone; Carl Renda, Perrone's son-in-law; Peter Lombardo and Clarence Jacobs to kill the labor leader.

Still at large is Perrone, 58, an ex-convict who has a wide reputation as a union buster. Renda is free on \$25,000 and is scheduled for pre-trial examination Thursday. However, O'Brien said he would ask for an adjournment.

Ritchie named Jacobs as the actual gunman. Jacobs is awaiting extradition in Windsor jail.

The Pacific Ocean has become a mile deeper in the course of the last 200,000,000 years.

To Draft 18,000 Men in March

WASHINGTON (AP) — The Defense Department today issued a draft call for 18,000 men in March, all for the Army.

The figure is the same as for February but is 5,000 fewer than the number drafted in each month from July through January.

The March call will bring to 1,643,000 the number of men drafted since the Korean war. All were for the Army except 81,430 taken by the Marines.

Recommend Four Young People Be Held In Hit-Run Death

MOUND CITY, Ill. (AP) — Pulaski County Sheriff John Barnett said today he will issue warrants for four young persons whom a coroner's jury recommended be held for an April grand jury session in connection with a hit-run traffic death.

Frank Ford, 63, Olmsted, died instantly of a broken neck when he was struck by an auto early Christmas morning here. Witnesses said the car went through Mound City at a high rate of speed and did not stop after the accident.

Barnett identified the four as James R. Hopwood and Albert Toome, both of Paducah, Ky., and Opal Little and Diane Harris, both of New Liberty, Ill. He did not reveal how they were traced to the accident.

Walton Chunn, supervisor of instrumental music in the Harrisburg City Schools system, has purchased the Ralph Davison property at 109 North Granger street. He said he and his family hope to move into their new home around Feb. 1.

The fire department made a run at 7 a. m. today to the home of Jimmy Henshaw, 319 South Maple street. A water pipe was being thawed in the kitchen, causing very slight damage.

Find Bullet Holes In Auto of Graver's Former Secretary

CHICAGO — Police today discounted any link between five bullet holes in the car of politician Clem Graver's former personal secretary and the kidnapping of the long-missing Illinois state legislator.

Lt. William Walsh, in charge of the special police detail investigating Graver's disappearance, said he did not think there was any connection between the abduction and the bullet holes.

The secretary, John Braje, told police Tuesday he did not know who fired the bullets or why.

He said the auto had been parked in front of his home Sunday night, and the holes were discovered Monday. Braje said he heard no shots, but neighbors reported hearing loud noise about 5 a. m. Sunday which sounded like a back-firing truck.

Braje was with Graver shortly before the GOP representative from the 15th District was kidnapped last June. In addition to serving as Graver's personal secretary, Braje was secretary of the Republican 21st Ward organization of which Graver was committeeman.

John Woolcott Accepts Position With Coles Milling Company

John Woolcott has accepted a position with the Coles Milling company, of Chester, and commenced his duties with that organization on Monday of this week.

Woolcott, for many years associated with the local Woolcott Milling company, will work as a chemist in the Coles' Milling company laboratories.

Special Grand Jury To Convene Friday

A special grand jury has been ordered by State's Attorney Glen O. Jones to convene Friday and hear evidence regarding possible criminal indictments.

Circuit Judge C. Ross Reynolds will be present Friday, which is the regular default day in circuit court.

Kenneth Watson Rites At Eldorado Thursday

The funeral of Kenneth W. Watson who died yesterday morning at his home on Eldorado Route 2 will be tomorrow at 2 p. m. at the First Baptist church in Eldorado.

Rev. C. C. Lowe, pastor of the First Methodist church in Eldorado, will conduct the service, and burial will be in Wolf Creek cemetery with Martin funeral home in charge.

Havana, Richmond New Members of International League

NEW YORK — Havana, Cuba and Richmond, Va., became members of the International League today, making the 71-year-old circuit the most far-flung operation in baseball history.

The new franchises were formally admitted following months of negotiations at brief ceremonies Tuesday presided over by league President Frank Shaugnessy.

Shaugnessy said the circuit's members "looked forward to a most interesting year with new fans and new frontiers."

Havana replaced Baltimore, which acquired the St. Louis Browns' American League franchise last September, while Richmond replaced Springfield, Mass., which the parent Chicago Cubs refused to support for another season.

The eight-team league now embraces three nations and spreads from Canada to Cuba.

DEAR MOM—It's quite apparent that actress June Allyson's children, Pamela, 5, and Richard, 3, are just as fond of their Mom as are members of the Southern California Photographers' Association. They named the lovely screen star "Movie Mother of the Year." According to the organization, June represents the ideal mother, typifying American youth, maternal warmth and an understanding of children.

XXV

Hannah Rahn and I sat in the back seat of the car while Martha drove. In the darkness I could not see her beside me. I clung to her waist. Her skin was damp and cold.

A nice girl. A well-brought-up, respectable young woman. A congressman's daughter. The kidnaper of a child.

"Where is he?" I said again.

"You didn't bring the right briefcase," she countered.

Savagely my hand tightened around her wrist. She uttered a thin cry and then cut it off and sat beside me silent and without resistance though I continued to restrict my fingers.

"Pretending she had gone to Washington while she waited for a chance to kidnap Joey!" Martha said, biting out each word. "She won't be so calm about it in my

Rice Sisters Show Slides of European Trip to Kiwanis

Colored slides of their trip to Europe and the Mediterranean area last summer were shown to members of the Kiwanis club last night at the Masonic temple by Miss Kathryn Rice and Miss Louise Rice, teachers at the Harrisburg Township high school.

Miss Louise Rice showed the slides and Miss Kathryn Rice discussed the places shown in the pictures. The pictures began at Barcelona and then to Marseilles in southern France. From there they went to Naples and Pompeii, to Cairo, Egypt, where they visited pyramids in that area. Their trip continued on to Beirut, Lebanon, Damascus, Syria, through Jordan to Jerusalem where they visited

the Garden of Gethsemane. From there they went to Athens, Greece, back to Italy where they visited Rome, Florence and Genoa, then returned to Marseilles. On their return home they saw the Rock of Gibraltar which was not visible at the beginning of their trip.

John Schork, president of the club, announced that next Tuesday night the club will visit station WSIL-TV. The dinner meeting will begin at 6:30 p. m. at the Masonic temple instead of the regular time, and at 7 o'clock the group will visit the station.

J. Paul Knight, Cedar Rapids, Ia., was a guest of his brother-in-law, Dr. G. R. Johnson, at last night's meeting.

Heaviest Gunfire

Most intense concentration of artillery fire in history occurred during the battle of St. Mihiel, in World War I, when a million artillery shells were fired in four hours.

Water Shortage Closes Stonington Schools

STONINGTON, Ill. — School children took a holiday today because of an acute water shortage.

Some 600 grade and high school students were dismissed from their classes Tuesday when officials announced there wasn't enough water left to cover the school's operating needs.

Authorities said classes probably won't be resumed at least until next week.

A prolonged drought has cut sharply into water supplies in many Illinois areas, particularly in the southern half of the state. Officials said wells here are now supplying only two-thirds of the normal daily consumption by the community.

To Crown AFROTC Queen at SIU

One of five Southern Illinois university coeds will be crowned queen at Southern's third annual Air Force ROTC Military ball Saturday night.

The queen will reign over all military social activities at SIU during the coming year and will carry the honorary title of colonel.

Candidates are: Pat Bruce, 17, Fairfield; Marilyn Liebig, 19, Belleville; Barbara Furst, 19, Marion; Christine Minckler, 19, Carbondale; and Pat Hicks, 22, Oqudyke.

Southern's 1088 AFROTC cadets selected the winner at an assembly Tuesday morning, but their choice will not be announced until the ball which begins at 9 p. m. Saturday in the Carbondale Armory. Music will be furnished by Stan Daugherty and his orchestra, frequently heard over the CBS radio network.

Ida Schellhardt, Waterloo, received the queen's crown last year at the ball which Southern's Arnold Air Society sponsors for AFROTC cadets and other military personnel of the Carbondale area.

Odd Greeting
A native hooks the middle finger of his right hand with that of another person, and pulls it away with a crack, as a sign of greeting in the Banks Islands of the Pacific.

Herrin Seeks Funds for Firemen And Policemen

James Cletcher, whose wife, Frances, lives at 6 East National street, Harrisburg, recently was promoted to corporal while serving in Korea with I Corps' 623rd Field Artillery battalion. Corporal Cletcher, a cannoneer in Battery C, has served in Korea since February, 1953. He entered the Army in August 1952 and completed basic training at Camp Chaffee, Ark. He is the son of Mr. and Mrs. Chester Cletcher, Joliet.

HERRIN, Ill. — The Herrin City Council will hold a special meeting Monday night in an effort to find a way to pay the city's policemen and firemen.

City Treasurer Ferrell M. Starnes refused to sign pay checks for the policemen and firemen this week because of deficits totaling \$12,876 in funds for that purpose.

The shortages resulted because the City Council failed to set up new revenue sources after a state law setting a \$300 per month minimum salary for police and firemen took effect last summer.

The council may transfer parking meter funds to the police and fire funds to meet current pay checks. The council may also consider obtaining funds from working cash bonds to be paid off over a number of years.

Tavern Owner Kills Wife

BELLEVILLE, Ill. — Paul J. Southard, 47, who admitted shooting his wife to death during a quarrel, was held in the St. Clair County jail here today pending an inquest.

Southard, who operates a tavern in Canteen Township, an East St. Louis suburb, said he shot his 44-year-old wife, Viola, Tuesday with a 12-gauge shotgun during an argument over his breaking a New Year's resolution to stop drinking. He told sheriff's deputies that his wife came toward him with an object in her hand, threatening to hit him on the head.

Deputies said a hammer was found beneath her body behind the bar. The Southards lived above the tavern.

Sentenced to Year On State Farm

John Vincent Cole of Carrier Mills, whose car hit three others on West Poplar street uptown in Harrisburg Monday night, yesterday was sentenced to a year on the state farm at Joliet.

Cole pleaded guilty to charges of drunken and reckless driving when arraigned before County Judge Ralph W. Choisser, who sentenced him to the term and assessed court costs of \$25.30 against him. If the costs are not paid, he must work them out at \$1.50 per day.

Cole's car, traveling east on Poplar, first hit a car driven by Roger Harris and then slid into parked cars belonging to Ronnie Doerge and Bill Roper.

W.O. Verhines Republican of Vienna

is this week

Announcing His Candidacy

for re-election to the

General Assembly from the 51st District.

Mr. Verhines is now serving his third term as a member of the General Assembly. While serving in this capacity, he has sponsored and been an advocate of legislation calling for fair distribution of motor fuel funds back to the counties and township roads. He sponsored House Bill 532-533 amending the Old Age Assistance act, and in so doing he stated, he favored legislation "which would guarantee a respectable and honorable allowance for those, who through unfortunate conditions, are required to ask for this assistance."

Mr. Verhines is recognized as a champion of good school legislation and has letters of recommendation from various school organizations for his activities in this field.

He has served on the important committees of Revenue, Industry and Labor Relations, License Miscellaneous and as vice chairman of the committee of Personnel and Pensions.

Mr. Verhines plans to see as many of the voters as possible and discuss past legislation; also to consider any proposals that will be beneficial to the Fifty-First District.

Tatum Can Write Own Tick to Coach N. Carolina State

RICHMOND, Va. (AP) — Jim Tatum, who led Maryland to national football prominence, was slated today to name his price for performing a similar chore for North Carolina State.

Tatum indicated his willingness to leave Maryland in favor of North Carolina State at the recent NCAA meeting in Cincinnati but he left the big question unanswered: How much does he want?

Inside sources say that the big, outspoken Tatum could write his own ticket—up to a certain point.

They reported North Carolina State would be willing to sign him to a 10-year contract. But they "guessed" the negotiations would hit a snag if Tatum asked for \$20,000 a year.

A three-man committee was appointed to discuss terms with Tatum but school officials did not disclose the salary offer they were prepared to make.

North Carolina State, one of the Southern Conference's basketball powers, was a pushover in football last season, winning one game and losing nine and forcing Coach Horace Hendrickson to resign under pressure.

The Japanese call their country Nippon, or Nihon, which means "home of the sun."

Galatia Beats Ridgway, 73-57; Shawneetown Trips Cave, 41-40

Bob Farris' Galatia Bearcats maintained their unbeaten record in Greater Egyptian conference play last night, as they fought off Ridgway's fighting Eagles for a 73-57 decision.

In other conference action Shawneetown rallied to nip Cave-in-Rock, 41-40, and Pope Co. held out to nudge Rosiclare, 60-50. It was Shawneetown's eighth victory in 15 games this season.

Ridgway's underdog quintet out-

scored the pace-setting Bearcats from the field, but Galatia dropped in 31 charity tosses to the Eagles' 13, winning handily.

Galatia pushed ahead 13-8 at the quarter and romped on to a 35-19 lead at the intermission. They were far in front, 52-34, as the final canto opened.

Ridgway's Dick Sturgill popped the basket from every angle to take scoring honors. He hit 12 fielders and five foul tosses for a total of 29 points. Galatia's Joe Upchurch canned 24 points for second honors. The Bearcats held Ridgway's Don Hise to 15 points—14 of these coming in the last half.

Indians Gain Revenge

Shawneetown had a difficult time gaining revenge from Cave-in-Rock. Lowell Oxford's Eagles spanked the Indians 60-44 in the opening game of the season, but found last night's tussle a different affair.

The Indians trailed 9-5 at the quarter and were losing 29-18 at halftime. A third period uprising brought the invading Shawnees within three points of their hosts and during the last quarter the Indians overhauled Cave in the closing minutes.

Bobby Spottsville with 15 and Jack Nolen with 12 led the Indians. Pope Co. used its height to every advantage to defeat Rosiclare. The Bears gave the Pirates a tough first half but dropped out of the race in the third. Pope Co. led at every stop, 13-12, 28-23 and 42-30.

Rosiclare—Kirk 12, Hale 6, Loton 18, Dixon 5, Jennings 7, Clark 2. Pope Co.—Holland 6, Roper 17, Green 13, Shumaker 15, Harp 4, Burgess 5.

Eldorado Eagles Drop 56 to 53 Tilt to Attacks

Eldorado's Eagles travelled to Carbondale last night and dropped a 56-53 decision to the Attacks squad.

The Eagles, after trailing 12-8 at the quarter, pepped up and held a 26-22 halftime advantage, and maintained a one-point, 42-41, lead after three periods of play.

Attacks outscored Eldorado by a 15-11 margin in the final frame to gain the victory.

Eldorado has two more games this week, hosting Johnston City Friday and traveling to West Frankfort Saturday.

In last night's preliminary game the Eagles romped to a 56-38 victory.

Wildcats Score 65-56 Victory Over Metropolis

Carrier Mills resumed basketball play last night following a 22-day layoff and scored a 65-56 victory over Metropolis. The game was played at Carrier Mills.

The winning Wildcats, playing without the services of Lowell Stricklin, 6-foot 4-inch senior forward, who is ill with the mumps, led at the end of each period of play. However, Metropolis was always within striking distance but never held the advantage after midway in the opening frame.

Rollins, Carrier Mills center, paced the scoring with 9 field goals and 7 free tosses for a total of 25 points. Pushing for honors was Gillespie of Metropolis with a total of 23 markers.

The preliminary game was a thriller, going into a double overtime before the visiting Metropolis team gained the decision, 58-56.

At the end of regulation time the score was knotted 49-49. The teams traded points in the first overtime, which ended 56-56. It was announced the second overtime period would be played on a "sudden death" basis, the first team to score two points being the winner.

Both teams played it careful, waiting for a sure shot before shooting. Carrier Mills finally fired, but missed. The winning basket was scored by Metropolis with 59 seconds remaining to be played in the second overtime period.

Saturday night Carrier Mills will play at Carbondale Attacks.

The box score:
Carrier Mills (65) fg ft tp pf Miller 2 3 7 4 Rollins 9 7 25 3 Culbreth 5 11 12 Cowger 4 5 13 2 Reeder 0 2 2 4 Humes 0 0 0 2 Reid 0 0 0 2

Robinson Roberts, Curt Simmons Reject Contracts

PHILADELPHIA (AP) — Big Rob in Roberts and his next door neighbor, Curt Simmons, today headed a group of five Philadelphia Phillies players who have returned their 1954 contracts unsigned.

The others balking at terms offered by owner Bob Carpenter are Richie Ashburn, who led the Phillies at the plate last season with a .330 average, and farmhand outfielder Jack Mayo and Clyde Shell.

Roberts said he was outraged by a pay slash—believed to be about \$3,500—proposed by Carpenter because he won 23 games in 1953, compared to 28 in 1952. The heavy-duty right-hander received an estimated \$40,000 last season.

Simmons, who won 16 games in 1953 despite four weeks of inactivity because of a toe accident, wants more money. Ashburn, who was offered a small boost, but he doesn't think it's enough. Mayo, up from Baltimore, and Shell, who toiled at Schenectady last year, are not satisfied with present terms.

Carpenter said Roberts had established himself as a 20 to 25 game winner. In 1952, the Phillies boss added, Roberts won 28 games and "he was paid commensurate with being a 25 to 30 game winner. Now he's back in the 20 to 25 class."

With the exception of the first two minutes of play, Thompsonville led all the way. It established an 18-9 advantage in the first quarter, and Dahlgren was never able to recover.

The Tigers held a 39-27 edge at halftime, and a 60-44 margin going into the final period.

Thompsonville — Logsdon 31, Hodgson 6, Schwabe 14, Isaacs, 14, Lemmon 3, Simpson 6, Marsh 12, Dahlgren—B. Kelly 15, D. Kelly 11, Kiefer 27, Wicks 13, Irvin 7.

HTHS Freshmen to Play Galatia Frosh Here Thursday Night

The HTHS freshman team will play the Galatia frosh in Davenport gym Thursday night starting at seven o'clock. The local freshmen are now coached by John Vander-Plum.

The local group journeyed to Herrin Monday night and dropped a 67-36 tilt.

Frosh likely to play tomorrow night are Gary Crews, Bobby Shewmake, Wayne Stone, Trevor Whiteside, Melvin Hicks, Jackie Weatherly, Johnny Ziegler, James Cummins, Charles Cummins and Bill Bottomley.

Looking AT Sports

By ED KIRKPATRICK

Two neighboring schools — Galatia and Thompsonville — continue to lead their respective cage conferences. Galatia has an undefeated record in Greater Egyptian conference play extending over seven games, and Thompsonville has a 10-0 record in Little Egyptian conference activity. Both will reign as favorites in their hoop tournaments, which incidentally, get underway next week.

Brookport is the No. 2 team in the Greater Egyptian circuit. The Bull Dogs have a strong aggregation this season, and may clash with Bob Farris' Bearcats in the finale of the conference tourney. If the two don't meet there, they will have to wait until Feb. 19 to settle their differences.

In fact, this Feb. 19 game at Galatia appears now to be the deciding date for the Greater Egyptian conference race. Galatia has three other conference games before this date, namely with Shawneetown, Cave-in-Rock and Pope Co. The Bearcats have already defeated the former two this season, but have not met Pope Co. Brookport must play Rosiclare, Ridgway, Pope Co. and Cave before the important hoop tussle with Galatia. The Bull Dogs have already demonstrated their superiority over these foes once this season.

Here are the current Greater Egyptian conference standings:

GREATER EGYPTIAN CONFERENCE STANDINGS				
Team	W.	L.	Pct.	
Galatia	7	0	1.000	
Brookport	6	1	.857	
Shawneetown	5	4	.556	
Pope Co.	4	4	.500	
Vienna	4	5	.444	
Cave-in-Rock	3	6	.333	
Rosiclare	2	6	.250	
Ridgway	1	8	.111

Senate Urged to Give U.S. 'Last Chance' to Join In St. Lawrence Seaway

By United Press
Sen. Alexander Wiley (R-Wis.) urged the Senate today to give the United States its "last chance" to join Canada in building a St. Lawrence seaway connecting the Great Lakes with the Atlantic.

Wiley made his plea as the Senate tackled its second and most controversial big bill of the week-old new session of Congress.

The Senate passed the first bill of its 1954 program Tuesday when it voted to boost this year's cotton quota by nearly three million acres. Today it went to work on the St. Lawrence seaway, an issue that has been splitting Congress for more than 20 years.

Wiley, chairman of the Senate Foreign Relations committee, said Canada is determined to go ahead with the seaway alone if necessary.

House in Recess

"Time is running out. This is our last chance," he said.

Senate Republican Leader William F. Knowland (Calif.) thinks the chamber will approve the bill after five days or a week of debate. But Sen. Allen J. Ellender (D-La.), a foe of the seaway, forecast defeat of the measure.

Meanwhile, the House continued in recess as leaders worked out legislative priorities.

Other congressional developments:

Korea: Secretary of State John Foster Dulles said there is no immediate prospect for peaceable unification of Korea. He made that statement in asking prompt Senate Foreign Relations commit-

tee approval of the mutual defense treaty with South Korea. He said unification of North and South Korea is difficult because Red China has practically incorporated North Korea "as a Chinese province."

Hawaii: Sen. George A. Smathers (D-Fla.) proposed today that Sen. Joseph R. McCarthy (R-Wis.) investigate communism in Hawaii. Smathers, foe of statehood for Hawaii, said McCarthy's investigating subcommittee could spend its time better exposing Hawaiian Reds than in its current investigation of graft in Alaska.

Academy: Air Secretary Harold E. Talbot urged quick congressional authorization of a two-million-dollar Air Force academy. But he left the question of a site wide open. He said he would consider sites proposed in the past but does not consider himself bound in any way. Chairman Dewey Short (R-Mo.) of the House Armed Services committee, who would like the academy to be built near Sedalia, Mo., said a controversy over the site might kill the academy bill.

Taxes: The House Ways and Means committee went to work on a tax revision bill which Chairman Daniel A. Reed (R-N.Y.) said would eliminate "inequities and unnecessary hardships" for all classes of taxpayers. The measure would provide \$1,500,000,000 in tax relief.

Health: Dr. Frank E. Wilson, a spokesman for the American Medical Association, said it was not the AMA's "business" to propose a health plan to help meet soaring medical costs for the average citizen. Wilson made the statement in reply to a challenge by Rep. Charles A. Wolverton (R-N.J.), chairman of the House Interstate Commerce committee, holding health plan hearings, that the AMA came up with a medical insurance program of its own.

NYC Employees Credit Union Elects Officers

The NYC Employees Credit Union held its 14th annual meeting Monday night. Officers elected to serve for 1954 are: J. E. Crabb, president; W. W. Wirth, vice president; Louis Gall Jr., secretary, and B. O. Womack, treasurer. Other directors are W. F. Applegate, George Smith, Alonzo Reiner, Walter Webb and M. R. Williams. Four per cent dividends were paid on shares for the year of 1953.

Adm. Blandy, Navy Ordnance Expert, Dies

NEW YORK (AP)—Adm. William H. P. Blandy, 63, commander of the Army-Navy task force which conducted the first peacetime atomic bomb tests at Bikini in 1946, died Tuesday at the St. Albans Naval hospital.

He suffered a cerebral hemorrhage Sunday at his home in Manhattan.

A naval officer for 40 years, Blandy had retired in 1950 but was recalled to active service last October to become chairman of a new evaluation board studying the Navy's reserve program.

He was regarded as one of the Navy's top experts on ordnance and gunnery and had become an authority on the problems of adapting naval warfare to atomic weapons and guided missiles.

Blandy presided over the historic Bikini tests in which atomic bombs were exploded near a "guinea pig" fleet of warships. He said afterward he believed nuclear weapons should not make navies obsolete but would require radical changes in naval design and tactics of sea fighting.

Born in New York City, Blandy was graduated from the Naval Academy at Annapolis in 1913 and took part a year later in the occupation of Vera Cruz by U. S. forces. During World War I he served as a junior officer aboard the battleship Florida attached to the British Grand Fleet.

In World War II Blandy received the Distinguished Service Medal for his work as chief of the Bureau of Ordnance from 1941 to 1943. Later he commanded an amphibious task force with the Pacific Fleet, taking part in assaults on the Palau Islands, Iwo Jima and other islands near Okinawa. For his task as commander at the "Operation Crossroads" atomic test, Blandy received an Oak Leaf cluster in lieu of his fourth Distinguished Service Medal.

Blandy is survived by his widow, the former Roberta Amies of Washington, D. C.; a son, Lt. William P. Blandy, stationed at the Navy submarine base at New London, Conn., and a daughter, Mrs. Hope Blandy Lee, wife of Capt. James Lee, U. S. N., stationed in London.

Earthquake Hits California

BAKERSFIELD, Calif. (AP)—A heavy, rolling earthquake rocked almost the entire length of California Tuesday but no injuries or damage were reported.

The quake at 3:34 p. m. was centered in Kern county in the middle of the state. Sixteen persons died in Kern county in a 1952 series of disastrous quakes.

W. C. Marion, seismologist at the University of California at Berkeley, said the earthquake lasted 15 minutes and had a Richter magnitude of 6.25 on a scale of 10. The 1952 Bakersfield quake had a magnitude of 7.50 to 7.75.

The earthquake Tuesday hit Southern California and Los Angeles in the midst of a hail and rain storm. One witness said it felt as though a "giant grabbed the building and shook it."

Rites at Stonefort

Thursday 2 p. m. for Mrs. Ed Bozarth

The funeral of Mrs. Ed Bozarth, resident of Stonefort who died yesterday morning in the Barnes hospital in St. Louis, Mo., will be tomorrow at 2 p. m. at the Stonefort Methodist church. Rev. George Smith will conduct the service, and burial will be in the Garrison chapel cemetery.

Pallbearers will be Harry Lee Farthing, Hubert Stricklin, Orval Stricklin, Wilbert Dunn, J. Boatright and Junior Powell. The Miller funeral home will be in charge.

Studebaker Workers Vote Shorter Week To Avoid Layoffs

SOUTH BEND, Ind. (AP)—CIO United Auto Workers at the Studebaker Corp. voted in favor of a 32-hour four-day work week today to avoid layoffs for 3,000 to 3,500 of their members.

At the second meeting in 24 hours, lasting past midnight, the union decided a reduced work week with smaller checks for all was better than no jobs for some of them.

Members also voted to meet Thursday for a strike vote and authorized their negotiators in a contract dispute with the automaker firm management to "demand that the company live up to

its contract strictly."

The controversy arose last week after Studebaker announced it was shutting down its night shift effective Jan. 8 and laying off about 20 per cent of its force.
